Storage & Handling
Material should be handled with white fabric gloves to prevent finger markings. After printing, unused material should be stored upright or suspended in its original packaging. Limited one year warranty when stored at 70°F, 50% relative humidity and out of direct sunlight in its original packaging.

Installing – This product can be grommeted for banner applications. Metal grommets should be inserted to penetrate 2-4 layers of materials for increased strength and durability.

Trimming – It is recommended that when trimming this material to allow about 0.125-0.25” of white/unprinted border. It is not recommended to “bleed trim” this material.

Printer Compatibility
Compatible with most solvent, eco-solvent, latex and UV curable inkjet printers.
