Product Description
Duratex Intermediate Vinyl is a 3.5mil, Opaque, premium-calendered vinyl with gray-pigmented adhesive. The air-egress adhesive provides for fast, easy, bubble-free application. This is a permanent adhesive, initial bond will be semi-low but after 24 hours it will not remove easily. Applications include indoor and outdoor signage, decals, and P-O-P displays and other markings installed with a squeegee. Up to 5 year outdoor durability. For added protection, use Duratex high performance laminates.

Physical Properties
