Duratex 2.3 Mil High Performance Vinyl - Air Egress

**Product Description**
Duratex High Performance Vinyl is a 2.3 mil, conformable, premium-calendered vinyl with gray-pigmented adhesive. The air-egress adhesive provides for fast, easy, bubble-free application. Applications include outdoor signage, glass, interior walls, some vehicles and other markings installed with a squeegee. Up to 7 year outdoor durability. Removable up to 1 year. For added protection, use Duratex high performance laminates.

**Film:**
2.3 mil Polymeric Vinyl

**Liner:**
90 lb. Air Egress Liner

**Finish:**
Gloss White

**Gloss Level:**
Gloss, 70(avg.)

**Typical Performance Values**
The following information on physical and chemical characteristics is based upon tests believed to be reliable. The values are intended only as a source of information. They are given without guarantee and do not constitute a warranty. The purchaser should independently determine, prior to use, the suitability of this material for his/her specific purpose. (Data represents averages and is not intended for use as a specification).

**Durability:**
Outdoor - 7 years (unprinted)

**Minimum Application Temperature:**
+40° F

**Service Temperature Range:**
-40°F to +200°F.

**Chemical Resistance:**
Resistant to alkalies, mild acids, most petroleum based oil, grease and aliphatic solvent and salts.

**Typical Adhesion Values:**
